For the second year in a row the Inn was awarded the Expedia Insider's Select™ award, which is judged by the experiences of Expedia customers. The Green Mountain Inn “was again identified as consistently delivering excellent services, a great overall experience and notable value,” wrote Paul Brown, President, Expedia, in an award letter to the Inn. “Earning a place on the Insiders' Select list for a second consecutive year is a testament to the Inn's ongoing commitment to excellence,” he writes.

The Green Mountain Inn was also named “Best of New England,” by New England Travel, a magazine distributed by the editors of Boston Magazine, which highlights the Inn for best products, services and experiences in the region.

“We are thrilled with these acknowledgements,” said Patti Clark, Innkeeper at Green Mountain Inn. “We strive to give our guests the best experience possible so their visit is a memorable one.”
