FOR IMMEDIATE RELEASE

**The Green Mountain Inn Offers Guests a Free Ride Home**  
*Historic downtown Stowe inn offers to fill gas tanks this summer*

Stowe, VT—May 30, 2006—Most visitors to Vermont are expecting to find beautiful scenery, quaint New England towns and ample outdoor activities. But this summer there is one more thing to add to the list of reasons to visit the Green Mountain State, cheaper gas prices. Vermont is home to some of the least expensive gas prices in the country, according to GasBuddy.com. And to make driving for summer vacationers even easier on the wallet, Stowe's most historic downtown inn, The Green Mountain Inn, is offering a special Gas Package. The package includes two nights lodging, continental breakfast each day and a \$50 Gas Card.

"With gasoline prices so high across the country, we felt we owed it to our guests to offer them some help at the pump this summer," said Hiata DeFeo, Director of Marketing at The Green Mountain Inn.

The hike in gas prices is on the minds of most consumers as they are finalizing their summer vacation plans. A recent survey by AAA found gas prices as the number one reason people give for traveling less or not at all. Another attraction that the Stowe area offers visitors is a variety of activities that don't require a fuel tank. Just outside the Green Mountain Inn doors is access to outstanding outdoor activities including: hiking, biking, canoeing, kayaking, swimming, fishing, golf and more.

In order to take advantage of the Gas Package, mention the code "ISPEC" when contacting The Green Mountain Inn Reservations Staff directly by calling 1-800-253-7302, or e-mailing [info@gminn.com](mailto:info@gminn.com).

Originally built in 1833, The Green Mountain Inn is located in the heart of Stowe village and offers 105 rooms, suites and townhouses. Guest enjoy two acclaimed restaurants, The Whip Bar & Grill and the Main Street Dining Room, specialty shops, a year-round heated outdoor pool, afternoon tea and cookies, health club facility, massages and much more.
